NEWSLETTER 1 - SEPTEMBER 2020

Dear Parents/Carers,

It is with much delight that Care and Play welcomes everyone back on Wednesday, 2nd September 2020 after such a challenging period of time.

We have some new children joining us, so please join me in welcoming Gracie, Poppy and their respective families to our wonderful setting.

Arrival/home-time arrangements

Lady K Care and Play are required to make a few minor adjustments to our arrival and home-time arrangements as follows:

- One parent to bring their child to school.
- Please wait outside Wheatley House (maintaining social distancing).
- One at a time, parent/child will be welcomed into the Care and Play cloakroom area.
- Once your child has been signed in, a member of the Care and Play team will take your child into the classroom and help them to settle.
- Parent to leave using the one-way system.
- At home-time, please ring the doorbell and wait outside (maintaining social distancing).
- A member of the team will come out to you.

Staffing arrangements

Morning Club (9am-12pm), Lunch Club (12-12.45pm) and Afternoon Club (12.45-3.15pm) will be staffed by Michelle Pitt, Nicki Bembridge and Suzanne Wood.

Learning Journey Theme

Learning objectives will primarily focus on the prime areas of learning; specifically, Personal Social and Emotional Development, Communication and Language and Physical Development. As a team we will be helping your children to settle back into a daily routine, establishing classroom rules, building your child's confidence and independence to explore and begin to form friendships.

Home Achievements and Family Photograph

Lady K Care and Play value your child's home achievements and would love to receive some home achievement certificates to display in the setting. In this way, we can jointly be proud of your child's successes. Certificates will be provided to you for this purpose.

To help with settling in, a family photograph to display in the setting would prove very helpful.

2Simple and Seesaw

2simple will continue to be used as a way of monitoring your child's individual learning journey and parents will receive at least one communication per week via this portal. In addition, Seesaw will be available, so that parents can share any home learning achievements with Care and Play.
