

## **Worship Together**

Our value for Collective Worship is currently 'Generosity.' In worship on Monday, we thought about loving others as we love ourselves. This was rooted in the scripture from Mark 12-31 'Love your neighbour as yourself.' We linked this with the story of Johnny Appleseed, who had a dream of planting so many apple trees that nobody would ever go hungry. Kathy also recorded her Thursday service for school, which can be found by following this link: [https://www.youtube.com/watch?v= m3\\_rIV0eLE](https://www.youtube.com/watch?v=m3_rIV0eLE). This week, Kathy talked about Harvest. We held our virtual Celebration Assembly today, to praise all of the effort and achievement over the last two weeks. Winners of star awards were:

Reception: Cody

Year 1: Immie

Year 2: Kaiden & Megan

Year 3: Keeley & Gabriel

Year 4: Effie & Logan

Year 5: AJ & Elise

Year 6: Tilly & Jake

## **Harvest**

Now is the time that we would usually have our Harvest Festival. It's a time when we think generously for the good of those who are less fortunate than ourselves. Although we can't have our usual service together, we will be joining with the church in collecting food items to donate to the food bank. If you are able to, we would appreciate donations of dried and tinned food. We will collect these on the playground on Tuesday next week and we will then arrange for it to be taken down to church on Friday.

## **St.Mary's Church**

I spoke with Kathy earlier in the week, she has asked me to inform you all that Sunday services are happening, although with limits on numbers and with special measures in place. If you would like to attend, you can book a place by contacting Jen Jones in the parish office on 01564 778022.

## **Covid Information**

Our latest guidance states that a high temperature, cough and loss of taste / smell continue to be the only reasons for a child needing to stay off school relating to Coronavirus.

Children with 'cold like' symptoms only, without the above, can come to school and do not need testing.

## A glimpse inside

Following the wonderful displays that we shared last week based on the book 'Here we are,' our glimpse inside school this week is all about trees. The Nursery garden is looking fantastic, the children love playing in the mud kitchen, just beyond our apple tree. Our Values Tree is the heart of the school, it is regularly commented on by visitors and sums up what we are all about at Lady K. The bookshelf tree is the newest, it appeared in the Year 2 classroom over the Summer, a product of Miss Martin's very talented father.

## Parents Consultations

We will be holding our Autumn parents' meetings virtually this year. They will take place during the week beginning 19<sup>th</sup> October. Teachers will be in contact to arrange.

## Inclement weather

This week saw the Autumn Equinox. With it, a change certainly seems to be with us, with a drop in temperature and rain showers. Please ensure that your child comes to school with adequate warm and wet weather clothing (jumper and coat).

Wishing you and your families all a safe, happy and healthy week ahead.
