

Worship together

As the first half of the Spring term draws to its conclusion, we reflect on our focus value: courage. How appropriate a value to consider in such challenging circumstances. Speaking with the other headteachers in our MAT yesterday, I explained how worried our teachers were about live streaming at the beginning of term but how courageous they had been and in turn, how they much had grown in confidence and expertise. Likewise, we have all been extremely anxious about the impact of Covid but are looking towards a brighter future. It has taken great courage to stay positive and strong for such a long time. You are all doing an absolutely amazing job – thank you from everyone at Lady Katherine.

"I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear."

-Nelson Mandela

This week, Kathy has recorded a service on her You Tube channel about the transfiguration of Jesus: <https://www.youtube.com/watch?v=2PM4GZ2yIFk>

Half Term

We break up today and return to school on Monday 22nd February. I hope that you enjoy a rest from remote learning and the children take a break from screen time.

Remote Learning Update

We have distributed many Chromebooks over the last week but still have a few available to loan. If your child does not have a device with an easy to use keyboard and has not currently returned to school, please get in touch with the school office. You are not stopping anyone else getting a device.

We sent you a remote learning survey in January and listened to your feedback to improve our offer. We would like to get an update as to how things are going. Please follow the link to access the short survey: https://docs.google.com/forms/d/e/1FAIpQLSdsx6cpX-OExXAsWRlaT3YV6891eKv2cOrxWKin9c1_oRaZVw/viewform?usp=sf_link

Gallery

Take a look at what some of our wonderful children have been doing this week in school and at home.

Years 5 & 6 have braved the weather to keep active.

Have a look at Emily's top tips for keeping safe online.

Internet Safety
Top tips

- ALWAYS respect others**
- REMEMBER:**
 - Not everyone is who they say they are
 - Not everything online is true.
- Don't share personal information (such as phone number, address, name, etc.) to others you don't know.
- Think carefully before uploading or/and sharing a photo or video.
- If you or someone you know is being bullied or harassed, tell a parent, carer or adult you can trust.
- Finally, enjoy. If you can respect others and keep safe, take advantage of the internet and enjoy this amazing tool!

Children in Early Years have been learning about how people around the world celebrate Chinese New Year.

Year 4 have been having lots of fun making poo and learning about the digestive system.

Year 4 Science - Digestion

Functions

- Liver
- Stomach
- Large intestine/white
- Small intestine

Teeth

Experiments

Excretion

Labels in collage: SAUCE COOK, SAUCE APPLE JUICE, SAUCE SQUASH, SAUCE WATER, Charcoal, Soft cheese, Soft on top, Soft on bottom, Soft on side.

Wishing you all a happy and safe weekend and week ahead.
