'Joy to the world'

Celebrating together the richness and diversity of life throughout the world; global citizens within our community and beyond.

Friday 19<sup>th</sup> February 2021 Newsletter 20

## Worship together

Kathy has recorded another service this week, this time for the second Sunday of Lent. You can watch it [here](#).

## World Book Day

World Book Day is on Thursday 4<sup>th</sup> March. Class teachers will be in touch about all of the lovely activities they have planned for both the children at home and at school, including a special assembly by David Walliams for our junior children. £1 book tokens are being given out as usual but an online version is attached with this newsletter.

## Youth Voice

Solihull Music Service needs your voice to help us develop a more inclusive and diverse music offer for Children and Young people. We want to know what musical opportunities young people would like to get involved in to help us design more accessible pathways into music making. Please could you take 5 minutes to complete this very short online survey with your family. The link for the survey is here: [Primary Music Survey](#)

## Remote Education Information For Parents

Solihull have put together a website with information for parents about remote learning. There are some excellent resources and web links, particularly regarding supporting wellbeing and anxiety. You can access the website [here](#).

## Website

Our new website has gone live this week. We are really pleased with it and hope that you are too. Follow this link to take a look <https://ladyk.bdmat.org.uk/> Twitter feeds directly onto the 'news' section and we are waiting for Facebook to do the same.

## Return to school

It goes without saying that we can't wait to welcome back everyone on the 8th March. Those of you who have supported remote learning at home have done an absolutely fantastic job. We really appreciate your support with this. Details of the return were sent out in a letter earlier this week. We have attached it again to the newsletter. Please get in touch if there are any issues you need further clarification with.

## Gallery

Years 5 & 6 have been exploring our surrounding area outside through geocaching. It looks great fun. Exercise, fresh air and social interaction are going to be really important for all of our pupils returning to school for their positive mental health and wellbeing.

Wishing you all a happy and safe weekend and week ahead.
