## Worship together

This week, we discussed the importance of prayer. We learnt that how we pray is personal and there is no set way, but it needs to be sincere.

We looked at the structure of the Lord's Prayer and TSP prayers and discovered that they had a common structure, all including elements of thankfulness, asking for forgiveness and requests for help. Children in each class wrote their own prayers in collective worship this week, using the acronym PASTA:

P Praise

A Ask

S Sorry...

T Thank you

A Amen

You can read some of our prayers later in the newsletter.

In Kathy's service <https://www.youtube.com/watch?v=2bnCoIV3OzY>, she reminded us

about baptism and showed us the holy oil. We heard about Jesus' triumphal entry to Jerusalem, riding on a donkey to the Temple. Kathy told us how some people in the temple were hypocrites and were using it for immoral purposes rather than to praise God. Kathy also explained how she will be sending palm crosses to school for each child and that she is looking forward to our Easter services by the crosses on the Temple

House garden, where she will meet with each bubble.

## Values

In the Gospel of John, Jesus sets an example for us to follow. After washing His disciples' feet — an act of love, humility, and service — He encourages us to follow His lead and serve one another. Jesus says: "I have set you an example that you should do as I have done for you,"

So, next week we will be thinking about how we can carry out acts of service for each other.

## Medicines

All medicines must be given to the school office. They should not be given directly to any other member of staff. The office staff will ensure that all necessary paperwork is completed and procedures followed for the safe storage and administration of the medicine.

## Our Prayers

Here is a selection of prayers, written this week by children throughout the school.

Dear God,  
I pray that COVID 19 dies,  
I ask you to keep my family safe,  
I am sorry for all the mean words that I have said,  
I thank you for my home, my family and my friends.  
Amen  
*Child in Year 2*

Praise for the beautiful butterflies, chicks, birds that sing, baby lambs, ladybirds, tadpoles and frogs, bees, flowers and all the wonders of nature in the Spring.  
Ask for lots of new animals to look after, flowers to keep the world beautiful. For us to be healthy and be able to visit parks with friends. Help to rid the world of the virus.  
Sorry for not always looking after our gifts and not always being careful.  
Thank you for all of the lovely things around us and for the hope of a brighter future.  
Amen  
*Year 1*

P-Loving Father, who is our creator  
A-I ask for loving peace  
S-I am sorry for my actions and roughness  
T-Thank you for wonderful classmates and a wonderful school.  
A-Amen  
*Child in Year 4*

Lord,  
You are my lighthouse.  
Help me to be a lighthouse to others,  
like you have been a lighthouse to me.  
Guide me in all that I do.  
Strengthen in me, my inner light.  
Help me to let it grow  
Amen  
*Child in Year 6*

## **Easter**

In addition to the Easter services with Kathy, each bubble will be recording a contribution to our Holy Week Reflections. As you are not able to attend at school, we will make them available to watch at home via a recorded link. This will be sent out by the end of term.

## **Small car park**

We have had ongoing problems with our small car park opposite school. Unfortunately, it is being used during the evenings and weekends for gatherings, from which our site manager is having to clear up lots of rubbish that has been left behind. In addition, the barrier is not currently working. For the moment, we will be using a chain barrier to secure the car park. Please be reminded that this car park must only be used for staff and parents with a car parking permit. If you are using this car park without current permission, you are stopping authorised children and adults with specific needs and disabilities from parking safely and close to school. We will be challenging people on the school gate who are parked without permission.

## **Timings**

Here is a reminder of the staggered drop-off and collection times:

Nursery and Reception Drop off: 9:00 Pick up: 3:20

Year 1 and Year 2 Drop off: 8:55 Pick up: 3:15
