

## Worship together

We have been learning about the fruits of the Holy Spirit in our collective worship throughout the week.

You can access Kathy's You Tube channel, where she has uploaded her services [here](#).

Kathy has also provided information on the St. Mary's website about the recommencement of Sunday services in church. There will be restricted numbers but Kathy provides a series of useful videos that explain the precautions and procedures. This [link](#) will take you to this information.

## Changes

There are no further changes in organisation for the coming week. Please see below for a reminder of the information provided last week.

### Start of day

The school day will start for everyone at **8:55am**. Arrival after this time will need to be signed in late at the school office. Children can arrive from **8:45am** but must go straight to their classrooms, where their class teacher will be waiting.

### End of day

The school day will end for everyone at **3:20pm**. Please maintain distancing measures as you wait for your child and leave the school site immediately once they are with you.

### Nursery

Morning Nursery will continue to operate between **9:00am** and **12:00**.

We have been very flexible with timings to support families through and after lockdown. However, our children need to get back into their normal routine so we really appreciate your support in being ready to be on time.

### Uniform

Children should come to school each day in their normal school uniform. PE kit can be left at school in a PE bag on your child's peg. We will send this home each Friday for you to wash. Forest school clothing can be brought in a bag on the day for your child to get changed into and will be sent home on the same day.

## Volunteers

We are starting by inviting people who have been previous volunteers in school to return, should they wish to. Please contact school to arrange a meeting if this applies to you.

## Before & After School Club

This will return to Wheatley House, at the top of the playground. Children who attend should be dropped off and collected from there.

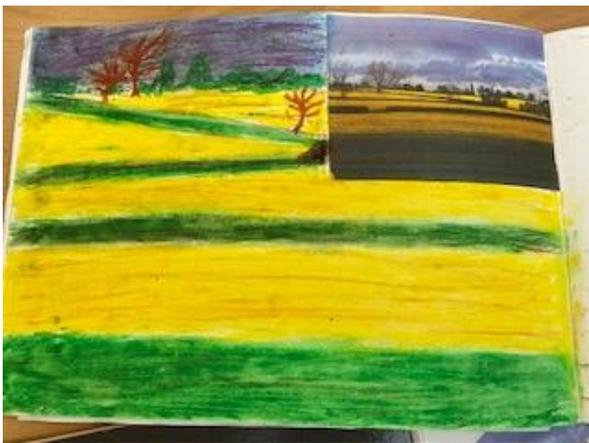

## Clubs

We are cautiously starting some clubs, but need to keep bubbles of children together. Staff will send communications about what is on offer.

## Educational Visits

Staff are currently planning a calendar of visits to start from September.

## **Year 6 Art**

The children recreated pictures of our surrounding fields that they have seen during their PE lessons and running club, in the style of David Hockney.

## **School Photographer**

As you are aware, the school photographer had to cancel at short notice. However, this has now been rearranged. The format will be:

- All years - class photo
- Reception - Individual and class photo
- Year 6 - Class, individual and sibling photos

The new date for photos is **Wednesday 16<sup>th</sup> June**.

## **Parking**

We have politely asked before that the car park opposite school is only used by parents if you have been issued with a car park pass. We respectfully ask all other parents to use the

large, parent car park the other side of Temple House. The car park opposite school has a number of bays for disabled badge holders and these have not been available because of unauthorised parking. As part of our school community, please help us to rectify this situation.

### **Charity**

*We are very excited to tell you about a new charity group that we have started in Year 6. We have decided to raise some money to support local charities and international charities.*

*We have chosen 'Mind' as our local charity for this term, as we think this has helped a lot of people through the Pandemic.*

*We are making links with international charities to support and will let you know more information about that next term.*

*To help raise money for 'Mind' we would like you to come in non-uniform next Friday (28th May) and bring £1 donation if you can.*

*Thank you,*

*Tilly and Maizy*

### **Information, Celebration & Key Dates**

All key dates can be found on the school website. Use the 'Parents' drop down menu and select 'Calendar.' Use this link for quick access: <https://ladyk.bdmat.org.uk/calendar/>

**INSET – Our 4<sup>th</sup> INSET day this year is on Monday 7<sup>th</sup> June. Because of the disruption from Covid, we have been granted permission to delay our 5<sup>th</sup> INSET day from this academic year and roll it over to next, to reduce the amount of days that school is not open to our pupils have missed.**

**To help those of you who are looking to book Summer holidays, I can confirm that Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> September will both be INSET days, so children will start back on Monday 6<sup>th</sup> September.**

We also post lots of information, photos and good news stories on our social media platforms:
