'Joy to the World'

Charging & Remissions Policy Policy

March 2021

Approved by LAB: March 2021

Next review due: March 2024

1. Vision

'Joy to the World'

'Make a joyful noise to the LORD, all the earth; break forth into joyous song and sing praises!' Psalm 98:4
Celebrating together the richness and diversity of life throughout the world; global citizens within our community and beyond.

2. Values

We value all of our children for who they are and for the talents and interests they bring with them. Our school values are the cornerstones for our vision, helping us to nurture and develop our pupils as lifelong learners and good citizens, who will contribute to making strong communities and a better world.

3. Purpose

The purpose of this policy is to ensure that there is clarity of process and rationale in terms of charging and remissions and to ensure that there is a document to which all can refer.

4. Rationale

It should be clear to all involved with school which charges are compulsory charges and which are voluntary contributions.

5. Key Principles

Where a compulsory charge applies, the school has adopted a zero tolerance approach to debt. See debt policy for further detail.

6. Payment

All monies to be paid to school via Parent Pay online. Parents / Carers will be notified separately of any charity collections where cash may be collected.

Education Act Sections 449-462 of the Education Act 1996 sets out the law on charging for school activities in schools maintained by local authorities in England.

- All meals must be paid for in advance.
- Failure to pay for school meals taken may result in a child being stopped from receiving a meal until full payment is made. In this event, parents and guardians must be prepared to provide their child with a packed lunch to eat in school.
- Application forms for Free School Meals must be completed and handed back into the school office as soon as the parent/carer is eligible. Claims for free school meals cannot be made in retrospect.
- Universal Free School Meals - From September 2014 all pupils in reception, year 1 and year 2 will be offered a free school meal (FSM) as part of a government initiative to ensure that children get the nutrition

they need across the whole school day. In this school a child can request a meal on a daily basis. However, if a child regularly takes a school meal and intends to stop, for logistical reasons all parents/carers are requested to give one week's notice.

3 - Pupil Activities

Activities offered as an essential part of the National Curriculum will be provided free of charge. The school may invite voluntary contributions for activities which are offered wholly or mainly during normal teaching time. No child should be excluded from any such activity on the basis of non-contribution.

4 - Remissions

For activities during or outside the normal school's hours the school will operate a Remission policy whereby parents having genuine difficulty in making payment will be encouraged to contact the Head Teacher and asked to make a reasonable contribution dependant on circumstances. The school's aim is that no child will be denied an activity because of parents' inability to pay.

5 - Extra Curricular Clubs

Extra Curricular clubs are optional to children. Optional activities provided wholly or mainly outside normal school hours may be charged for at the discretion of the school and Governors. The charge should not exceed the actual cost.

6 - School Uniform

School sells some second hand uniform items and payment can be made via the school office.

7 - Music Tuition

Music tuition is an optional activity open to children in KS2. The cost is compulsory and payable termly in advance. The tuition is purchased via the Solihull MBC Music Service on an annual basis. If a child wishes to cease their music tuition at least one terms notice is required, and parents/carers may be asked to pay the full annual cost. Music tuition charges are available from the school office.

8 - Swimming

School invites voluntary contributions for this activity. No child will be excluded from any such activity on the basis of non-contribution.

Appendix B – School Trips, Visits and Activities

Parents or legal guardians may be asked to contribute to specific costs incurred, up to the actual cost for each child. An example would be (say) a trip to Warwick Castle, cost of castle entrance and transport would be chargeable to parents/guardians. To comply with the Act, any charge to parents / carers must be described as a 'voluntary contribution'. The Act stipulates also that 'failure by a parent / legal guardian to promise to make a voluntary contribution will not affect the participation of their child(ren) in whatever event is arranged.' Lady Katherine Leveson CE Primary School will follow these procedures:

- a) Monies for trips or events shall be requested to be received in school at least one week in advance in order to allow time for cancellation of the trip / event if necessary
- b) The voluntary charge for each trip or event shall be described as a 'voluntary contribution' but parents / legal guardians will be expected to pay for the full specific cost of their child(ren)s outing
- c) The finances of the school are such that unless the overwhelming majority of parents voluntarily contribute the full cost of their child(ren)'s school trips, the school will find itself unable to continue with the trip / event
